

Feel The Power

Kick Axe

Feel The Vibration So Electric
It Can Really Shake You Down
This Current Flows Inside Of Me
It's Like A Shock Wave Underground
I Feel My Blood Surge, I Feel My Primal Urge
I Feel The Power
I'm Set To Catch Fire, I'm On A Live Wire
I Feel The Power
I'm Like A Ten-Foot Tidal Wave
No One Can Save Me From Myself
I'll Take My Chances, Roll The Dice, No Advice, No Help
(chorus)
My Heart's In Overdrive, I'm Feelin So Alive
I Feel The Power
It's Like A Guiding Hand, Part Of A Higher Plan
I Feel The Power
Well I Can't See The Future, But I Can Forget The Past
The Lessons I Remember Never Slowed Me Down
From Growing Up Too Fast
(chorus)
My Heart's In Overdrive, I'm Feelin So Alive
Like A Guiding Hand, Part Of A Higher Plan
Power
