Just How Many Men, Have Paid The Price Of Your Gaze?
An How Many Blinded Heros Spending Lost Days In Your Maze
It's Power It's Reflection, Your Image Was Shown
I Turned Turned Around Then,
I Turned To Stone...
Look In Your Eyes
I Was Told Not To Look
Look In Your
Everywhere I Look I See Your Eyes
And Anywhere I Go I See Your Eyes
I've Been Sentenced For A Life In A Frozen Trance
And I'm Doing Time For A Single Stolen Glance
Look In Your Eyes
I Was Bold Enough To Look
Look In Your Eyes
Now I'm Stone Cold From The Look
Everywhere I Look I See Your Eyes
And Anywhere I Go I See Your Eyes
Look In Your Eyes...
I Guess That I've Learned My Lesson Too Late
Now Ive Seen Your Vision And It's Sealed My Fate
Everywhere I Look I See Your Eyes
And Anywhere I Go I See Your Eyes
Every Time I Dream I See Your Eyes
Forever I Know, I'll See Your Eyes,
Everywhere I Go...
