

# On The Road To Rock

Kick Axe

I See It  
Start Your Motor, People Let's Go  
You Can Feel It, Let It Go  
I Wanna Hear You Shout (Hey) Shout It Out Loud  
I Wanna Hear You Scream And Scream That I'm Proud  
Get On The Road To Rock  
Get On The Road To Rock  
Old Town, Down Town, Night Life's Hot  
Rock And Rollers Givin' All They Got  
Open It Up And Feel The Heat  
Get Off Your Chairs And On Your Feet  
Get On The Road To Rock  
Get On The Road To Rock  
Fire It Up  
Overloaded Floor  
Need Explosives To Get In The Door  
Make Sure We Do It, Do It Up Right  
Do It Again And Again Every Night  
Get On The Road To Rock  
Get On The Road To Rock  
Fire It Up  
Out Of Your Car  
Ready To Fire, This Is Why  
We Couldnt Get Much Higher  
Take It To The Edge Make It Forever Make It Last  
Get On The Road To Rock  
Get On The Road To Rock  
Fire It Up  
Yeah Fire It Up All Around The Room  
Feel Like Steel, Fills Me Up  
Not About Tonight, We Don't Care  
Feel Like Steel, Inside Of Me Yeah  
At The Back Wall Hear Them Screamin'  
Get On The Road To Rock  
Get On The Road To Rock  
Come On Follow Me  
Fire It Up
