

# Burn Baby Burn

Kid Cudi

Element of the surprise  
Such a spectacular thing I cannot, lie  
So many things people wanna limit you to be  
I show you a glimmer inside the spectrum of the wizard  
Well known as a getter and a nigga with a plan  
The nigga didn't come out they mouth, so sad  
When I smash, wipe the smirk off their face, my bad  
Who bad, I am, my dad raised one hell of a man  
livin', I had the in advance,  
Still don't feel appreciated and not by my own fam  
All good, I'll be tucked away in them shadows  
Workin' in sweats, solve the riddle and soon I'm ready for battle  
Move my fans with my love and they move me with theirs  
We unified by the dark and middle fingers in the air  
Come on who gon' go half on a zone  
Oh, thought I would be done off the coke, no  
Let me tell you something ho  
Been said everything that shine ain't gold  
Been skatin' on pretty faces then my heart switched cold  
Been that nigga sittin' in hell in fresh ass clothes  
I know what it feels like to have a broken nose  
And ain't nobody hit you in it  
It's really cause that shit that you snorted and put all in it  
That time you thought I was finished no I just experimented  
And it helped me adjust and be OK, with being demented  
By the way nigga these cars ain't rented, I give a fuck who sees  
So I don't bother rollin' tinted look who the fuck it be  
That's candy Cleveland niggie I stay reppin' my city bitch  
Been smokin no jokin', Cudder's had that itch  
So I scratch, so please no more speculation 'bout that  
Burn baby, burn.  
Truthfully and noted  
I'm back so please no more speculation 'bout that  
Burn baby, burn.  
Truthfully and noted  
I'm back  
Niggas think I'm livin' life paranoid  
(Mothafuck that, man)  
Aw, they got me twisted, they don't know that boy  
(Mothafuck that, man)  
I'm just gettin busy killin' it, I'm gettin' busy  
(Mothafuck that, man)  
I just wanna watch it burn, baby, burn  
Niggas think I'm livin' life paranoid  
(Mothafuck that, man)  
Aw, they got me twisted, they don't know that boy  
(Mothafuck that, man)  
I'm just gettin busy killin' it, I'm gettin' busy  
(Mothafuck that, man)  
Now it's time to watch 'em burn baby, burn
