

Cosmic Warrior

Kid Cudi

Since birth it was prophecy, the Cosmic Warrior
Surrounded by infinite light, surrounded by infinite light
Since birth it was prophecy, the Cosmic Warrior
Cosmic Warrior, surrounded by infinite light
Surrounded by infinite light

Legend goes
Legend goes, meh meh
Legend goes

I took a swan dive
Wall behind me
Metaphor for the life of mine
Searchin' far and wide
Never needed to, overdrive
Kept it close, no ends
Must have stayed true, to who I am
They always knew, what to do

'Cause since birth it was prophecy, the Cosmic Warrior
Surrounded by infinite light, surrounded by infinite light
Hmm, Since birth it was prophecy, the Cosmic Warrior
Cosmic Warrior, surrounded by infinite light
Surrounded by infinite liight
