

# Troubled Boy

Kid Cudi

It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
So it seems  
No one wants a troubled boy  
Leave alone the troubled boy  
I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boy

It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
So it seems  
No one wants a troubled boy  
Leave alone the troubled boy  
And I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boy

Still have  
(NO ONE)  
Still have  
(NO ONE)

It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
It seems  
No one wants a troubled boy  
Leave alone the troubled boy  
And I've learned  
No one wants a troubled boy  
All they know is trouble boy  
And I've learned  
No one wants a troubled boy  
Show them you're a stronger boy
