

Zuko's Back In Town

Kid Dynamite

What if one day I turned to you and said, "I'm not the man that you think I am?" End a corner and you'll find me there, it's Friday night and there's nowhere to go. Will you abandon me for a fantasy, so you can gratify your selfish needs? If you come across some self-esteem. you know I need it please give it to me. Preconceived misery turns me into a mystery. but I hold tight to what is true. NOT YOU! Now it's the next day of the rest of my life. Forget about What i told you last night Still in the corner but I'm standing up, soon enough I'll be ready to go so go abandon me for a fantasy go gratify your selfish needs If you come across some self respect you can keep it so you can reflect.
