I Just Want It All

I-I-I just want it all Money and the cars right I don't wear a tie but they say I live a boss life I-I just want it all Pool and a bad bitch, way back then Thought that we would never have this I just want it all all all all

I just want it all, high above the law Kill 'em so cool, you can call me Mr. Frost Come and find me where the money is, ever feeling lost? I just wanna ball so sick of playing toss I remember back then I had a dream since then I've been sleep walking all-all-all the ups and downs I was sea-sawing Only made me strong like steroids Game time I just served these niggas like a bell boy Tell them that it's over (over) Finito I can make it bump bump like a mosquito It's just all in my estilo And my pockets are the only thing bigger than my ego.

I-I-I just want it all Money and the cars right I don't wear a tie but they say I live a boss life I-I just want it all Pool and a bad bitch, way back then Thought that we would never have this I just want it all all all all

I don't wanna stall, I would never leave means I don't wanna fall, no matter the cost I-I-I'm all in till the coffin Kush coughing nicer than your conscience Finally everywhere u wanna be moving high velocity Driving irresponsibly but I think u should come And take a ride see the world through my eyes Everyday is a surprise So I party like my birthday LA is my birthplace First place, west side loud as a I wanna be There's sleeping on me, now they are in the fetal Yeah I'm nito everything's in tuxedo.

I-I-I just want it all Money and the cars right I don't wear a tie but they say I live a boss life I-I just want it all Pool and a a bad bitch, way back then Thought that we would never have this I just want it all all all all (2x)
