

Blue Jeans And A Rosary

Kid Rock

1. All my life I've been searchin', all my life I've been uncertain

I been abandoned and left alone, at fifteen I had to leave home

The black sheep, the bad seed, at a roadside bar in Tennessee

I met an angel who rescued me, she rescued me...

R: She wore blue jeans and a rosary, believed in God and believed in me

All her friends think she's a little crazy

She wears a smile, heart on her sleeve, don't give a damn what the world thinks of me

She tells me it's all good, she's happy with a bad seed, happy to be misunderstood.

2. Two packs and a pint a day, to hide the shame, and wash away the pain

C(A bass)

Aww the pain

Every road was a dead-end street, runnin' from the law, and runnin' on empty

You couldn't shake the marks that were left on me, At a roadside bar in Tennessee

I met an angel who rescued me, she rescued me...

R: She wore blue jeans and a rosary...
