

Classic Rock

Kid Rock

Well guess who's back, with a big fat cock
It's the Kid motherfucker with the Classic Rock
Like Wax That Booty, yodeleyeho, punk
Slappin you hoes with Dick when I get drunk
From Alabama, to Texacana
Bend over bitch and let me slam a
Big fat dick up in your puddy, oh goody
If your a freaky hoe, well do the backdoor boody
Bitch
don't need your front
You'de shit your pants if I licked your cunt
Fuckin in the bed, fuckin in the showers
I got more hoes then my man Ed Powers
I wont send flowers after fuckin doll
You can bet your ass I'll be screening calls
I don't really need to be tied down
Im a ramblin man and I'm platinum bound
A hound on the hunt rippin hoes apart
And I fuck so hard I make the pussy fart
Do the hip-hip-hop yep it don't stop
Im back, bitch, with the Classic Rock

Now if you wanna be fucked then step up, bitch
Im gonna pack my dick all up in your shit
Now I don't like rubbers, they hold me back
Instead I roll like Tonto and ride bare back
I wont cut slack for the stuck up hoes
Hear my rhymes turn up their nose
See me on the strip, try to tell me I'm sick
that's when I drop my drawers and show em my dick
Huh, you know thats true
I got a pocket full of pills and a bottle of brew
Got a hoe named Sue and one named Pam
Fucked em both at the same time...Goddamn
Playin shows, fuckin hoes
Got the dope in my veins and up my nose
I want some hoes I can mack on
Kid Rock, ya know I get more pussy then a tampon
Kid, to the clip, to the grip, to the flip
Stood back, to the slap, to my nuts in your butt
Yeah don't stop, because Im back with the Classic Rock
You put my balls in your mouth, and you don't stop
You put my balls in your mouth
