

# Drinking Beer with Dad

Kid Rock

It's the simple things in life  
But life ain't so simple right  
And times get hard and people can make you mad  
But I remember when I was young  
I couldn't wait to turn 21  
Sit in the backyard sun and drink beer with dad

Drinking beer with dad  
Out there on the back porch swinging  
Drinking beer with dad  
Picking my guitar and grinning

We'd hem and haw, we'd cuss and fight  
But that's where I learned life's best advice  
We'd talk about when I was young and bad  
Sometimes he'd make me fightin' mad  
Best education I ever had  
Was out there on the back porch drinking beer with dad

Nowadays most things have changed  
This whole world is heading down the drain  
There's no God in schools  
Toting guns is the latest fad  
A little discipline would sure be nice  
A little lesson in wrong and right  
Maybe it's time young man to have a beer with dad

Drinking beer with dad  
Out there on the back porch swinging  
Drinking beer with dad  
Picking my guitar and singing

I'd play him songs all through the night  
I'd praise the Lord I saw the light  
We'd stay up late and make mom mad  
But half the time we'd just laugh and laugh  
Some of the best times I ever had  
Was out there on the back porch drinking beer with dad

Now son I'm so damn proud of you  
And the young man you've turned into  
You're the best son a father could ever have  
And though your grandpa's done past on  
Soon you'll be 21  
So come on the back porch son and have a beer with dad

Drinking beer with dad  
Out there on the back porch swinging  
Drinking beer with dad  
Picking our guitars and grinning  
We'll hem and haw, we'll cuss and fight  
But I'll pass along life's best advice  
We'll talk about your old granddad  
The things he gave us he never had  
I wish forever our time could last  
I wish this world wouldn't move so fast  
Out here on the back porch
