

Fuck U Blind

Kid Rock

I'm on the brink I wonder what u bitches think
like Madonna walkin round like you ship doesn't stink
No class jack ass bitches actin like a burro
dressed in black head to toe thinkin you're so fuckin euro
Tryin to act Manhattan when you're from some little village
In a Public Enemy shirt and it's all for your image
Cuz any other rap you think it's crap fuckin trash
Bitch talk your shit just never let me get that ass
cuz...

[Chorus]

I'll fuck u blind bitch
I'll fuck u blind bitch
I'll fuck u blind till you just can't see no more
Back in school I knew this chick her name was Sara Bolerdies
and she thought she was the shit becuz she dated older guys
Dumb bitch fuckin whore always wanted to get laid
but never gave the pussy up to anybody in her grade
Played me like a sucker
like a bitch like a punk
that little pussy lickin finger fuckin ho ass cunt
Never once did she speak to anybody in her class
so one day I told her never let me get that ass
cuz...

[Chorus]

I'll fuck u blind bitch
I'll fuck u blind bitch
I'll fuck u blind till you just can't see no more
Now all u bitches gettin fucked
gettin drunk smokin buddha,
Gettin laid and gettin played like fuckin Amy Papuda
Better chill with that before u kill the cat
before u spend your fuckin life lying on your back
U ain't gotta let me fuck u to be liked
get a grip, shit I'll like u just the same if u suck a good dic
k
And yo I'm not speakin to all u girls at my shows
I'm speakin directly to all u fuckin bitches and hoes
Huh
cuz I love women ones who chill drink and laugh
But if your fake ho don't ever cross my muther fuckin path
