

# I'm Wrong, But You Ain't Right

Kid Rock

Breakin' the silence is the hardest thing in life  
Knowing that your wrong  
Feelin' like you cant go on  
I've been a victim so many times  
But I'm man enough to know when I'm wrong

[shotgun cocking]

With the fresh cut mullets back row in sight  
Pass the packed bowl and I'ma rock all night  
Up tight right wingers tryin' say i'm what  
I'm a flight bound singer not giving a fuck  
Hard luck I'm the devil with the grace of god  
On the level of Oz and it makes you nod  
With the body of a sinner, mind of a saint  
I'm everything you love, everything you hate  
Hit a lot of curves, hard roads and hills  
Got nerves of steel and watch time stand still  
It took too long but I stood my height  
You could say i'm wrong but you aint righhhhhht

You aint righhhhhht  
You you you you aint righhhhhht  
You aint righhhhhht  
Right  
You aint you aint you aint  
Right  
You aint you aint you aint  
Right  
You aint you aint you aint  
Right

You can save the environment with all your wind  
But can you save your children from a world of bullshit  
You look at me with a loss for love  
But if you took me out would your kids still do drugs  
You wanna point your finger at the unclear  
You wanna point your finger at the unclear  
You wanna point your finger at the unclear  
You outta point your finger in the mirror  
You wanna trip, quit cause I'ma keep rippin'  
And you can bitch but the strippers gonna keep strippin'  
I'm singin' songs in the key of life  
and you can say I'm wrong but you aint righhhhhht

You aint righhhhhht  
You you you you aint righhhhhht  
You aint righhhhhht

We just came to (get on down now) Rooooocckkkk  
Rock On Rock on Rock on

Cowboy baby, cowboy baby

[Shotgun cocking]

[Shotgun cocking]

You aint righhhhhhhht  
You aint you aint you aint righhhht  
You aint you aint you aint righhhht  
You aint you aint you aint righhhht  
You you you you aint righhhht  
You aint you aint you aint righhhht  
You aint you aint you aint righhhht  
You aint you aint you aint righhhht
