

## Jackson, Mississippi

Kid Rock

And when the sunshine showed  
Her face i felt like i was ready to die  
Went lookin for a place to hide  
A hole i could crawl inside  
Long lines  
Whiskey bottles  
And the same old song  
I smell death in the air  
And i know it wont be long

And i could say im trying to change  
But thats just another lie  
Its been a day and a half  
And im still high

And i feel like jackson mississippi  
A river runnin  
Like jackson mississippi  
A river runnin  
Like jackson mississippi  
A river runnin thru my viens

And when the daylight dissapeared  
I took a good look inside  
Behind my pride  
I sat down and cried  
I know im not a fool  
But i dont know whats wrong  
Mabe its time to pack  
And just move on

And i could say im trying to change  
But that would just be a lie  
Im lookin for some one to tell me why
