

Johnny Cash

Kid Rock

I like the French braids in your hair
And them faded blue jeans that you wear
I like to watch you shoot your guns
And I like the way you love having fun, oh baby

I like the way you turn me on
Just like an old Keith Whitley song
I like the way you shake it, work it
Ten out of ten baby you're perfect

You know the sun is shining on Kentucky
They're drinking bourbon by the batch
I walk that line because you love me
And I wanna be your Johnny Cash, Johnny Cash

I like the way you hold my hand
And play just like my baby grand
I like how you don't give a damn
And love me just the way I am, the way I am

You know the sun is shining on Kentucky
They're drinking bourbon by the batch
I walk that line because you love me
And I wanna be your Johnny Cash, Johnny Cash
And lay you down in that blue grass

That certain smile hey girl you own it
Come lay your head here next to mine
You know I cherish every moment
And I love you till the end of time, end of time, end of time

You know the sun is shining on Kentucky
They're drinking bourbon by the batch
I walk that line because you love me
And I wanna be your Johnny Cash, Johnny Cash

Sun is shining on Kentucky
They're drinking bourbon by the batch
I walk that line because you love me
And I wanna be your Johnny Cash, Johnny Cash

And lay you down in that blue grass
And lay you down in that blue grass
And lay you down in that blue grass
