

So Hott

Kid Rock

You got a body like the devil and you smell like sex
I can tell you're trouble but I'm still obsessed

[Chorus:]

Because you know you're so hot, I want to get you alone
So hot, I wanna get you stoned
So hot, I don't want to be your friend
I want to fuck you like I'm never gonna see you again
....Yeah.....C'mon....Yeah

You're like the kiss of death, like the hand of fate
I can tell you're trouble but I still want a taste

[Chorus 2x]

Because you're so hot I want to get you alone
I want to get you stoned
I don't want to be your friend
I want to fuck you like I'm never gonna see you again

See you again
See you again
