

Welcome 2 the Party (Ode 2 the Old School)

Kid Rock

It ain't nothin but a party hey
from the early evening till the break of day
so step this way and let yo mind be free
and by the way, welcome to the party

Well my name's Kid Rock I'm a Capricorn
And Detroit's city where I was born
When I was young I knew I'd always be
A super live body rockin mc
I'm TNT I'm dynamite
And I'm gonna rock this party all damn night
I've got the gift of gab I can walk the walk
I became an mc when I learned to talk
Sayin goo-goo ga-ga
I gotta lotta time to eat mc like pirhana
I'm a pro at this, yeah the ultimate
Cause I don't spit, my rap too quick
I'm the ladies pick all around the world
But I only got eyes for just one girl
I don't twirl like a ballarena
I roll through town and I rock arenas
I may seem a little under age
But at least I am not underpaid
I'm one of kind, here to shock your mind
And I will serve no rhymes, before their time
The K-K-Kid Rock, that is my name
And if you ask me again, I'll tell you the same
Who's to blame I don't really know
But my game's so tight I think I'm gonna go pro
So here we go here, here we go
I'm gonna rock it up high, then rock it down low
From the floor to the ceiling to the living room
Cause people like to hear my base go boom
Boom, b-boom, boom, b-boom, boom, boom, boom
Prrrii, boom, boom, ba boom, boom, boom
The one two three the three two one
Don't stop me know I've just begun
Don't cut me down don't start no fight
Or I'll put my foot in your ass tonight
I'm outta sight, like the planet Mars
And when I set my sights I shoot for stars
I don't like small cars or real big women
But somehow I always find myself in em
I'm a hidden gem, a rollin stone
I'm a one man band with a microphone
Here to make you shake and move your body
So come on in and welcome to the party

It ain't nothing but a party, hey
From the early evening till break of day
So step this way and let your mind be free
And by the way, welcome to the party

Uh, uh excuse me Mr. Kid Rock
(What's up)
Can I do my thing
Can I have a little something to say right here

Dude you're outta of your fucking mind, Haha
