Switch Board

DJ Gatman, Get it Kid Sis Uh oh chi-town you aint' ready for this one I came back with a quickness It's your girl, Kid sis Like this Jump out yo skin!

You can be from down south girl get on the floor rip it down and dis more when this control better I don't know who you fucking juke for flirtatious I can't help myself I'm faker than an old wig My name is Kid Sis I drink Cointreau and sip on the O.E. (old english) Enough of this, that, and the third 'Cause I keep rocking ahead of the curve get you some white Stacey Adams boo then you be looking real heard Right now you look like a herb commonly known as a lame or a nerd gotta get your mind right gotta get your game tight if you want it you heard

southside can you switchboard juke yo juke yo switchboard get caught up in a switchboard this is how you switchboard southside can you switchboard juke yo juke yo switchboard get caught up in a switchboard this is how you switchboard switchboard switchboard switchboard this is how you switchboard switchboard switchboard switchboard switchboard this is how you switchboard switchboard switchboard switchboard switchboard this is how you switchboard this is how you switchboard

Uh oh, uh oh You ain't ready for it (They ain't ready) You ain't ready for it now (Put em up) Here we go, here we go Now let yo wrists and yo knuckles bang Wrists and yo knuckles bang Bang, bang (come on) Bang bang, come on Let's bang bang, come on Bang bang (What you say now?)

I got a Coca-Cola shape (what) Coca-Cola Shape (what you say now?) Coca-Cola shape With a onion in the back

(She got a) Coca-Cola Shape Coca-Cola Shape Coca-Cola shape

Kid Sister

With a onion in the back With a onion in the back

southside can you switchboard juke yo juke yo switchboard get caught up in a switchboard this is how you switchboard southside can you switchboard juke yo juke yo switchboard get caught up in a switchboard this is how you switchboard switchboard switchboard switchboard switchboard this is how you switchboard

Yeah

I know you sweatin right now But don't stop jukin' Kid Sis Gatman shooting the track It's a Chi-town thing y'all And we out
