

Give Me What I Want

Kids in Glass Houses

We take three steps forward and three steps back,
She said I don't like the way you're dressed
So then four words later, she takes for back
She says I don't like the way you try your
best to impress, you win.
Everything you do,
Makes me wanna run

Home, will you get me going home?
Will you get me going home?

Give me what I want
Give me what I want
Give me what I want
Give me
What I, want
Want
Give me what I want
Give me what I want
Give me what I want
Give me
What I, want
Want

Your glass half empty, glass half full,
I'd say you've got some catching up to do
Your glass half empty, glass half full,
I'd say you've got some catching up to do
Best to, impress, you win.
Everything you do,
Makes me wanna run

Home, will you get me going home?
Will you get me going home?

Give me what I want
Give me what I want
Give me what I want
Give me
What I, want
Want
Give me what I want
Give me what I want
Give me what I want
Give me
What I, want
Want

What is it you want me to know?
I give up on you
What is it you want me to know?
Ooh ooh, ooh ooh
What is it you want me to know?
I give up on you
What is it you want me to know?
Ooh ooh, ooh ooh

Give me what I want
Give me what I want
Give me what I

Want, want, want, want

Give me what I want
Give me what I want
Give me what I want
Give me
What I, want
Want, want.
