

Apart of You

Kids of 88

Let me be apart of you (3x)

I saw it on a perfect time
And now you're walking through my mind

Let me be apart of you (2x)

I saw the future in your eyes
We watched a thousand worlds collide
This is the only place I know
So many ways that this could go

Let me be apart of you (2x)

Let me be apart of you (4x)
