

I won't hold this back
You taste so good
And feel so right

I won't hold this back
You taste so good
And feel so right

I won't hold this back
You taste so good
And feel so right

We'll take a trip to wherever we may go
Feel the warmth of the sun and taste the snow
Close your eyes 'cause you know it feels so right, feels so right
Never been to a place like this before
Got no one and I must have, I want more
Close your eyes 'cause you know it shines so bright, it shines
so bright

I won't hold this back
You taste so good
And feel so right

I won't hold this back
You taste so good
And feel so right

Tell me, tell me why it feels so right
Tell me, tell me why it feels so right
You and me sail away tonight
Flowing on ribbons of light

Tell me, tell me why it feels so right
Tell me, tell me why it feels so right
You and me sail away tonight
Flowing on ribbons of light

Tell me, tell me why it feels so right
Tell me, tell me why it feels so right
You and me sail away tonight
Flowing on ribbons of light
