Debbie just hit the wall She never had it all One Prozac a day Husband's a CPA

Her dreams went out the door When she turned twenty four Only been with one man What happened to her plan?

She was gonna be an actress She was gonna be a star She was gonna shake it fast On the hood of white snake's car

Her yellow SUV
Is now the enemy
Looks at her average life
And nothin' has been alright

Springsteen, Madonna Way before Nirvana There was U2, and Blondie And music still on MTV

Her two kids, in high school They tell her that she's uncool Cause she's still preoccupied With 19, 19, 1985 1985

She's seen all the classics She knows every line Breakfast club, pretty in pink Even St. Elmo's fire

She rocked out to wham

Not a big Limp Bizkit fan

Thought she'd get a hand

On a member of Duran Duran

Where's the mini skirt Made of snake skin? Who's the other guy that's Singing in Van Halen?

When did reality-become TV Whatever happened to Sitcoms, game shows On the radio

Springsteen, Madonna Way before Nirvana There was U2, and Blondie And music still on MTV

Her two kids, in high school

They tell her that she's uncool Cause she's still preoccupied With 19, 19, 1985

She hates time
Make it stop
"When did my motley crew become
Classic rock?"

And when did Ozzy Become an actor? Please make this Stop, stop, stop

And bring back Springsteen, Madonna Way before Nirvana
There was U2, and Blondie
And music still on MTV

Her two kids, in high school They tell her that she's uncool Cause she's still preoccupied With 1985

Springsteen, Madonna Way before Nirvana There was U2, and Blondie And music still on MTV

Her two kids, in high school They tell her that she's uncool Cause she's still preoccupied With 19, 19, 1985
