

## A Moment Like This

KIDZ BOP Kids

What if I told you it was all meant to be  
Would you believe me, would you agree?  
Its almost that feeling that we've met before  
So tell me that you don't think I'm crazy  
When I tell your love is come here and now

A moment like this  
Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh I cant believe its happening to me  
Some people wait a lifetime for a moment like this

Everything changes, but beauty remains  
Something so tender I cant explain  
Well I may be dreaming but 'til I awake  
Can we make the dream last forever?  
And I'll cherish all the love we share

A moment like this  
Some people wait a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh I cant believe its happening to me  
Some people wait a lifetime for a moment like this

Could this be the greatest love of all  
I wanna know that you will catch me when I fall  
So let me tell you this  
Some people wait a lifetime for a moment like this

Some people search a lifetime for a moment like this  
Some people search forever for that one special kiss  
Oh I cant believe its happening to me  
Some people wait a lifetime for a moment like this

Some people wait a lifetime  
Some people search forever  
Oh I cant believe its happening to me  
Some people wait a lifetime for a moment like this
