Breakaway

KIDZ BOP Kids

Grew up in a small town And when the rain would fall down I'd just stare out my window

Dreaming of what could be And if I'd end up happy I would pray

Trying hard to reach out But when I'd try to speak out Felt like no one could hear me

Wanted to belong here But something felt so wrong here So I pray I could breakaway

I'll spread my wings and I'll learn how to fly I'll do what it takes 'til I touch the sky And I'll make a wish, take a chance, make a change And breakaway

Out of the darkness and into the sun But I won't forget all the ones that I loved I'll take a risk, take a chance, make a change And breakaway

Wanna feel the warm breeze Sleep under a palm tree Feel the rush of the ocean

Get on board a fast train Travel on a jet plane, far away And breakaway

I'll spread my wings and I'll learn how to fly I'll do what it takes 'til I touch the sky And I'll make a wish, take a chance, make a change And breakaway

Out of the darkness and into the sun I won't forget all the ones that I loved I gotta take a risk, take a chance, make a change And breakaway

Buildings with a hundred floors Swinging 'round revolving doors Maybe I don't know where they'll take me but Gotta keep moving on, moving on Fly away, breakaway

I'll spread my wings and I'll learn how to fly Though it's not easy to tell you goodbye I gotta take a risk, take a chance, make a change And breakaway

Out of the darkness and into the sun

But I won't forget the place I come from I gotta take a risk, take a chance, make a change And breakaway, breakaway
