

Crush

KIDZ BOP Kids

I hung up the phone tonight
Something happened for the first time
Deep inside it was a rush, what a rush

'Cause the possibility
That you would ever feel the same way
About me, it's just too much, just too much

Why do I keep running from the truth?
All I ever think about is you
You got me hypnotized, so mesmerized
And I've just got to know

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?

Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I'm trying, trying to walk away
But I know this crush ain't goin' away, goin' away

Has it ever crossed your mind
When we're hanging, spending time girl
Are we just friends? Is there more? Is there more?

See it's a chance we've gotta take
'Cause I believe that we can make this into
Something that will last, last forever, forever

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?

Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I'm trying, trying to walk away
But I know this crush ain't goin' away, goin' away

Why do I keep running from the truth?
All I ever think about is you
You got me hypnotized, so mesmerized
And I've just got to know

Do you ever think when you're all alone
All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?

Do you catch a breath when I look at you?
Are you holding back like the way I do?
'Cause I'm trying, trying to walk away
But I know this crush ain't goin' away, goin' away

Do you ever think when you're all alone

All that we can be, where this thing can go?
Am I crazy or falling in love?
Is it real or just another crush?

Do you catch a breath when I look at you?
