Hey, forever
It's you, and me, movin' at the speed of light into eternity
Tonight, is the night to join me in the middle of ecstasy
Feel the melody and the rhythm of the music around you, around you
I'ma take you there, I'ma take you there
So don't be scared, I'm right here, baby
We can go anywhere, go anywhere
But first it's your chance, take my hand come with me
It's like I waited my whole life for this one night
It's gonna be me, you and the dance floor
'Cause we only got one night, double your pleasure
Double your fun
And dance forever, ever, ever
Forever, ever, ever, forever, ever, ever
Ever, ever, ever
Forever, ever, ever, forever, ever, ever
Forever on the dance floor
Feels like were on another level
Feels like our loves intertwined
We can be two rebels breakin' the rules
Me and you, you and I
All you gotta do is watch me
Look what I can do with my feet, baby feel the beat inside
I'm drivin', you could take the front seat
Just need you to trust me, oh, oh, oh
It's like I waited my whole life for this one night
It's gonna be me, you and the dance floor
'Cause we only got one night, double your pleasure
Double your fun
And dance forever, ever, ever
Forever, ever, ever, forever, ever, ever
Ever, ever, ever
Forever, ever, ever, forever, ever, ever
Forever on the dance floor
Girl, where did you come from? Got me so undone
Gaze in your eyes got me sayin'
There's no one else that matters, you love me
And I won't let you fall girl, let you fall girl
It's like I waited my whole life for this one night
It's gonna be me, you and the dance floor
'Cause we only got one night, double your pleasure
Double your fun
And dance forever, ever, ever
Forever, ever, ever, forever, ever, ever
Forever on the dance floor
Ever, ever, ever
Forever, ever, ever, forever, ever ever
Forever on the dance floor
Ever, ever, ever
Forever, ever, ever, forever, ever, ever
Forever on the dance floor
