

# Gotta Be Somebody

KIDZ BOP Kids

This time I wonder what it feels like  
To find the one in this life, the one we all dream of  
But dreams just aren't enough

So I'll be waiting for the real thing  
I'll know it by the feeling  
The moment when we're meeting will play out like a scene  
Straight off the silver screen

So I'll be holding my own breath right up 'til the end  
Until that moment when I find the one that I'll spend forever with

'Cause nobody wants to be the last one there  
'Cause everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that

'Cause nobody wants to do it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there

Tonight, out on the street, out in the moonlight  
And you know this feels too right  
It's just like déjà vu  
Me standing here with you

So I'll be holding my own breath, could this be the end?  
Is it that moment when I find the one that I'll spend forever with

'Cause nobody wants to be the last one there  
'Cause everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me like that

'Cause nobody wants to do it on their own  
And everyone wants to know they're not alone  
There's somebody else that feels the same somewhere  
There's gotta be somebody for me out there

You can't give up, looking for a diamond in the rough  
You never know when it shows up  
Make sure you're holding on  
'Cause it could be the one, the one you're waiting on

'Cause nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Someone to love with my life in their hands  
There's gotta be somebody for me, oh

Nobody wants to be the last one there  
And everyone wants to feel like someone cares  
Somebody else that feels the same somewhere  
There's gotta be somebody for me out there
