

Hot N Cold

KIDZ BOP Kids

You change your mind like a girl changes clothes
Yeah, you change your mind like a girl I would know
And you always think, always speak cryptically
I should know that you're no good for me

'Cause you're hot and you're cold
You're yes and you're no
You're in and you're out
You're up and you're down

You're wrong when it's right
You're black and it's white
We fight, we break up
We hug, we make up

You, you don't really wanna stay, no
But you, you don't really wanna go, oh

'Cause you're hot and you're cold
You're yes then you're no
You're in and you're out
You're up and you're down

We used to be just like twins, so in sync
The same energy now's a dead battery
Used to laugh 'bout nothing, now you're plain boring
I should know that you're not gonna change

'Cause you're hot and you're cold
You're yes and you're no
You're in and you're out
You're up and you're down

You're wrong when it's right
You're black and it's white
We fight, we break up
We hug, we kiss

You, you don't really wanna stay, no
But you, you don't really wanna go, oh

You're hot and you're cold
You're yes and you're no
You're in and you're out
You're up and you're down

Someone call the doctor
Got a case of a love disorder
Stuck on a roller coaster
Can't get off this ride

You change your mind like a girl changes clothes

'Cause you're hot and you're cold
You're yes and you're no
You're in and you're out
You're up and you're down

You're wrong when it's right
You're black and it's white
We fight, we break up
We hug, we kiss

You, you don't really wanna stay, no
But you, you don't really wanna go, oh

You're hot and you're cold
You're yes and you're no
You're in and you're out
You're up and you're down
