You change your mind like a girl changes clothes Yeah, you change your mind like a girl I would know And you always think, always speak cryptically I should know that you're no good for me

'Cause you're hot and you're cold You're yes and you're no You're in and you're out You're up and you're down

You're wrong when it's right You're black and it's white We fight, we break up We hug, we make up

You, you don't really wanna stay, no But you, you don't really wanna go, oh

'Cause you're hot and you're cold You're yes then you're no You're in and you're out You're up and you're down

We used to be just like twins, so in sync The same energy now's a dead battery Used to laugh 'bout nothing, now you're plain boring I should know that you're not gonna change

'Cause you're hot and you're cold You're yes and you're no You're in and you're out You're up and you're down

You're wrong when it's right You're black and it's white We fight, we break up We hug, we kiss

You, you don't really wanna stay, no But you, you don't really wanna go, oh

You're hot and you're cold You're yes and you're no You're in and you're out You're up and you're down

Someone call the doctor Got a case of a love disorder Stuck on a roller coaster Can't get off this ride

You change your mind like a girl changes clothes

'Cause you're hot and you're cold You're yes and you're no You're in and you're out You're up and you're down You're wrong when it's right You're black and it's white We fight, we break up We hug, we kiss

You, you don't really wanna stay, no But you, you don't really wanna go, oh

You're hot and you're cold You're yes and you're no You're in and you're out You're up and you're down
