

I'm Yours

KIDZ BOP Kids

Well, you done me wrong and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks and now I'm trying to get back

Before the cool done run out, I'll be giving it my bestest
And nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more
It cannot wait, I'm yours

Well, open up your mind and see like me
Open up your plans and see you're free
Look into your heart and you'll find love, love, love, love

Listen to the music of the moment
People dance and sing, we're just one big family
And it's our God-intended right to be loved
Loved, loved, loved, loved

So I won't hesitate no more, no more
It cannot wait, I'm sure
There's no need to complicate, our time is short
This is our fate, I'm yours

D-d-do, do you, d-d-do, do you wanna come?
Scooch on over closer dear, I'll whisper in your ear

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason
To rid yourself off vanities and just go with the seasons
It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more
It cannot wait, I'm yours

So please don't, please don't, please don't
There's no need to complicate
Because I'm down and sure
This is, this is, this our fate, I'm yours
