I'm Yours

KIDZ BOP Kids

Well, you done me wrong and you bet I felt it I tried to be chill but you're so hot that I melted I fell right through the cracks and now I'm trying to get back

Before the cool done run out, I'll be giving it my bestest And nothing's going to stop me but divine intervention I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more It cannot wait, I'm yours

Well, open up your mind and see like me Open up your plans and see you're free Look into your heart and you'll find love, love, love, love

Listen to the music of the moment People dance and sing, we're just one big family And it's our God-intended right to be loved Loved, loved, loved

So I won't hesitate no more, no more It cannot wait, I'm sure There's no need to complicate, our time is short This is our fate, I'm yours

D-d-do, do you, d-d-do, do you wanna come? Scooch on over closer dear, I'll whisper in your ear

I've been spending way too long checking my tongue in the mirro r And bending over backwards just to try to see it clearer But my breath fogged up the glass And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason To rid yourself off vanities and just go with the seasons It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more It cannot wait, I'm yours

So please don't, please don't, please don't There's no need to complicate Because I'm down and sure This is, this is, this our fate, I'm yours
