It's Not My Time

Not my time Not my time

Looking back at the beginning of this And how life was Just you and me and love and all of our friends Living life like an ocean

But now the current's only pulling me down It?s getting harder to breath, I can't breath It won?t be too long and I will be going under Can you save me from this?

'Cause it?s not my time, I'm not going There's a fear in me, it?s not showing This could be the end of me And everything I know, ooh but I won?t go, I won?t go

I look ahead to all the plans that we made And the dreams that we had, dreams we had I'm in a world that tries to take them away Oh, but I'm taking them back

'Cause all this time I've just been too blind to understand What should matter to me, baby you matter to me My friends this life we live, it?s not what we have This life is what we believe in

It?s not my time, I'm not going There's a fear in me, it?s not showing This could be the end of me And everything I know

But it?s not my time, I'm not going There's a will in me and now I know that This could be the end of me And everything I know, ooh but I won?t go

There might be more than you believe There might be more than you believe There might be more than you can see

But it?s not my time, I'm not going There's a fear in me, it?s not showing This could be the end of me And everything I know

But it?s not my time, I'm not going There's a will in me and now it?s gonna show This could be the end of me And everything I know, oh but I won?t go Oh no, I won?t go down, yeah
