

# Move Along

KIDZ BOP Kids

Along  
Along  
Go on, go on, go on, go on

Go ahead as you waste your days with thinking  
When you fall, everyone stands  
Another day and you've had your fill of sinking  
With the life held in your  
Hands are shaking cold, these hands are meant to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along, move along

So a day when you've lost yourself completely  
Could be a night when your dream ends  
Such a heart that will lead you to deceiving  
All the pain held in your  
Hands are shaking cold, your hands are mine to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along

Go on, go on, go on, go on  
When everything is wrong, we move along  
Go on, go on, go on, go on  
When everything is wrong, we move along  
Along, along, along

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along

Go on, go on, go on, go on  
Right back what is wrong, we move along  
Go on, go on, go on, go on  
Right back what is wrong, we move along

Go on, go on, go on, go on  
Right back what is wrong, we move along
