

Never Again

KIDZ BOP Kids

I hope the ring you gave to her turns her finger green
I hope that when you're out with her you think of me
I would never wish bad things but, I don't wish you well
Could you tell by the flames that burned your word?

I never read your letter
'Cause I knew what you'd say
Give me that Sunday school answer
Try and make it all okay

Does it hurt to know I'll never be there?
Bet it hurts to see my face everywhere
It was you who chose to end it like you did
I was the last to know

You knew, exactly what you would do
And don't say you simply lost your way
She may believe you but I never will
Never again

If she really knows the truth, she deserves you
A trophy girl, oh, how cute
Ignorance is bliss but when your day comes
And he's through with you, he'll be through with you
You'll be together but alone

You wrote me in a letter
You couldn't say it right to my face
Give me that Sunday school answer
Repent yourself away

Does it hurt to know I'll never be there?
Bet it hurts to see my face everywhere
It was you who chose to end it like you did
I was the last to know

You knew, exactly what you would do
And don't say you simply lost your way
She may believe you but I never will
Never again

Never again will I hear you
Never again will I miss you
Never again will I fall to you, never

Never again will I kiss you
Never again will I want to
Never again will I love you, never

Does it hurt to know I'll never be there?
Bet it hurts to see my face everywhere
It was you who chose to end it like you did
I was the last to know

You knew, exactly what you would do
And don't say you simply lost your way
She may believe you but I never will

Never again
