

# No Air

KIDZ BOP Kids

Tell me how I'm supposed to breathe with no air?  
No air, air  
No air, air

If I should fly before I wake  
It's 'cause you took my breath away  
Losing you is like living in a world with no air, oh

I'm here alone, didn't wanna leave  
My heart won't move, it's incomplete  
If there was a way that I can make you understand

But how do you expect me to live alone with just me?  
'Cause my world revolves around you  
It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air?  
Can't live, can't breathe with no air  
It's how I feel whenever you ain't there  
There's no air, no air

Got me out here in the water so deep  
Tell me how you gonna be without me?  
If you ain't here I just can't breathe  
There's no air, no air

No air, air  
No air, air  
No air, air  
No air, air

I walk, I ran, I jumped, I flew  
Right off the ground to float to you  
With no gravity to hold me down for real, for real

But somehow I'm still alive inside  
You took my breath but I survived  
I don't how but I don't even care

So how do you expect me to live alone with just me?  
'Cause my world revolves around you  
It's so hard for me to breathe

Tell me how I'm supposed to breathe with no air?  
Can't live, can't breathe with no air  
It's how I feel whenever you ain't there  
There's no air, no air

Got me out here in the water so deep  
Tell me how you gonna be without me?  
If you ain't here I just can't breathe  
There's no air, no air

No air, air  
No air, air  
No air, air  
No air, air

Tell me how I'm supposed to breathe with no air?  
Can't live, can't breathe with no air  
It's how I feel whenever you ain't there  
There's no air, no air

Got me out here in the water so deep  
Tell me how you gonna be without me?  
If you ain't here I just can't breathe  
There's no air, no air

Got me out here in the water so deep  
Tell me how you gonna be without me?  
If you ain't here I just can't breathe  
There's no air, no air

No air, air  
No air, air  
No air, air  
No air, no air
