

One Step At A Time

KIDZ BOP Kids

Hurry up and wait, so close but so far away
Everything that you've always dreamed of
Close enough for you to taste but you just can't touch

You wanna show the world but no one knows your name yet
Wonder when and where you're gonna make it
You know you can if you get the chance
In your face and the door keeps slamming

Now you're feeling more and more frustrated
And you're getting all kind of impatient, waiting
We live and we learn to take

One step at a time, there's no need to rush
It's like learning to fly or falling in love
It's gonna happen and it's supposed to happen
When we find the reasons why one step at a time

You believe and you doubt
You're confused and got it all figured out
Everything that you always wished for
Could be yours, should be yours, would be yours if they only knew

You wanna show the world but no one knows your name yet
Wonder when and where you're gonna make it
You know you can if you get the chance
In your face and the door keeps slamming

Now you're feeling more and more frustrated
And you're getting all kind of impatient, waiting
We live and we learn to take

One step at a time, there's no need to rush
It's like learning to fly or falling in love
It's gonna happen and it's supposed to happen
When we find the reasons why one step at a time

When you can't wait any longer but there's no end in sight
It's the faith that makes you stronger
The only way we get there is one step at a time

We live and we learn to take

One step at a time, there's no need to rush
It's like learning to fly or falling in love
It's gonna happen and it's supposed to happen
When we find the reasons why one step at a time

One step at a time, there's no need to rush
It's like learning to fly or falling in love
It's gonna happen and it's supposed to happen
When we find the reasons why one step at a time
