

# She Will Be Loved

KIDZ BOP Kids

Beauty queen of only eighteen  
She had some trouble with herself  
He was always there to help her  
She always belonged to someone else

I drove for miles and miles and wound up at your door  
I've had you so many times but somehow I want more

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved and she will be loved

Tap on my window knock on my door  
I want to make you feel beautiful  
I know I tend to get so insecure  
And doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along, yeah  
My heart is full and my door's always open  
You can come anytime you want, yeah

I don't mind spending everyday  
Out on your corner in the pouring rain  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved and she will be loved  
And she will be loved and she will be loved

I know where you hide alone in your car  
Know all of the things that make you who you are  
I know that goodbye means nothing at all  
Comes back and makes me to catch her every time she falls, yeah

Tap on my window knock on my door  
I want to make you feel beautiful

I don't mind spending everyday  
Out on your corner in the pouring rain, no  
Look for the girl with the broken smile  
Ask her if she wants to stay awhile  
And she will be loved and she will be loved  
And she will be loved and she will be loved

I don't mind spending everyday  
Out on your corner in the pouring rain  
Please don't try so hard to say goodbye
