## **Tell Me Something I Don't Know**

## **KIDZ BOP Kids**

Tell me something, tell me, tell me

Everybody tells me that it's so hard to make it It's so hard to break in, there's no way to fake it Everybody tells me that it's wrong what I'm feeling I shouldn't believe in the dreams that I'm dreaming

I hear it everyday, I hear it all the time I'm never gonna amount to much But they're never gonna change my mind, oh

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know Tell me, tell me, tell me something I don't know Something I don't know, something I don't know

How many inches in a mile? What it takes to make you smile? Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know Tell me, tell me something I don't know Tell me, tell me something I don't know

Everybody tells me I don't know what I'm doing This life I'm pursuing the odds I'll be losing Everybody tells me that it's one in a million One in billion, one in a zillion

I hear it everyday, I hear it all the time I'm never gonna amount to much But they're never gonna change my mind, oh

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know Tell me, tell me, tell me something I don't know Something I don't know, something I don't know

How many inches in a mile? What it takes to make you smile? Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know

She hit the track like a surfer making waves Like cold Medina make 'em say, I'm ready Are you ready for it? Yes, I'm ready for it Really ready for it? Yes, I'm ready for it Let's get ready for it

I'm on my way I know I'm gonna get there someday It doesn't help when you say it won't be easy

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know Tell me, tell me, tell me something I don't know Something I don't know, something I don't know

How many inches in a mile? What it takes to make you smile? Get you not to treat me like a child, baby

Tell me, tell me, tell me something I don't know Something I don't know, something I don't know
