

# What Goes Around, Comes Around

KIDZ BOP Kids

Hey girl  
Is he everything you wanted in a boy?  
You know I gave you the world  
You had me in the palm of your hand

So why your love went away  
I just can't seem to understand  
Thought it was me and you, baby  
Me and you until the end, but I guess I was wrong

Don't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me is this fair?

Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were gonna make me cry

It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby, 'cause in time you will find

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around, yeah

Now girl  
I remember everything that you claimed  
You said that you were moving on now  
And maybe I should do the same

The funny thing about that is  
I was ready to give you my name  
Thought it was me and you, baby  
And now it's all just a shame and I guess I was wrong

Don't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, can you tell me is this fair?

Is this the way things are going down?  
Is this how we say goodbye?  
Should've known better when you came around  
Should've known better that you were gonna make me cry

Now it's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
That's okay baby, 'cause in time you will find

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around, yeah  
What goes around comes around

Don't want to think about it, don't want to talk about it  
I'm just so sick about it, can't believe it's ending this way  
Just so confused about it, feeling the blues about it  
I just can't do without ya, tell me is this fair?

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around, yeah
