

What Goes Around, Comes Around

KIDZ BOP Kids

Hey girl
Is he everything you wanted in a boy?
You know I gave you the world
You had me in the palm of your hand

So why your love went away
I just can't seem to understand
Thought it was me and you, baby
Me and you until the end, but I guess I was wrong

Don't want to think about it, don't want to talk about it
I'm just so sick about it, can't believe it's ending this way
Just so confused about it, feeling the blues about it
I just can't do without ya, tell me is this fair?

Is this the way it's really going down?
Is this how we say goodbye?
Should've known better when you came around
That you were gonna make me cry

It's breaking my heart to watch you run around
'Cause I know that you're living a lie
That's okay baby, 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah

Now girl
I remember everything that you claimed
You said that you were moving on now
And maybe I should do the same

The funny thing about that is
I was ready to give you my name
Thought it was me and you, baby
And now it's all just a shame and I guess I was wrong

Don't want to think about it, don't want to talk about it
I'm just so sick about it, can't believe it's ending this way
Just so confused about it, feeling the blues about it
I just can't do without ya, can you tell me is this fair?

Is this the way things are going down?
Is this how we say goodbye?
Should've known better when you came around
Should've known better that you were gonna make me cry

Now it's breaking my heart to watch you run around
'Cause I know that you're living a lie
That's okay baby, 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah
What goes around comes around

Don't want to think about it, don't want to talk about it
I'm just so sick about it, can't believe it's ending this way
Just so confused about it, feeling the blues about it
I just can't do without ya, tell me is this fair?

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around

What goes around, goes around, goes around
Comes all the way back around
What goes around, goes around, goes around
Comes all the way back around, yeah
