When I Grow Up

KIDZ BOP Kids

Boys call you crazy And you don't care what they say See every time you turn around They're screaming your name

Now I've got a confession When I was young I wanted attention And I promised myself that I'd do anything Anything at all for them to notice me

But I ain't complaining, we all wanna be famous So go ahead and say what you wanna say You don't know what it's like to be nameless Want them to know what your name is 'Cause see when I was younger I would say

When I grow up I wanna be famous I wanna be a star, I wanna be in movies When I grow up I wanna see the world Drive nice cars, I wanna have groupies

When I grow up, be on TV People know me, be on magazines When I grow up, fresh and clean Number one chick when I step out on the scene

Be careful what you wish for 'cause you just might get it You just might get it, you just might get it Be careful what you wish for 'cause you just might get it You just might get it, you just might get it, get it

They used to tell me I was silly Until I popped up on the TV I always wanted to be a superstar Who knew that singing songs would get me this far?

But I ain't complaining, we all wanna be famous So go ahead and say what you wanna say You don't know what it's like to be nameless Want them to know what your name is 'Cause see when I was younger I would say

When I grow up I wanna be famous I wanna be a star, I wanna be in movies When I grow up I wanna see the world Drive nice cars, I wanna have groupies

When I grow up, be on TV People know me, be on magazines When I grow up, fresh and clean Number one chick when I step out on the scene

Be careful what you wish for 'cause you just might get it You just might get it, you just might get it Be careful what you wish for 'cause you just might get it You just might get it, you just might get it, get it I see them staring at me, I'm a trendsetter Yes, this is true 'cause what I do no one can do it better You can talk about me 'cause I'm a hot topic I see you watching me, watching me and you know I got it

When I grow up I wanna be famous I wanna be a star, I wanna be in movies When I grow up I wanna see the world Drive nice cars, I wanna have groupies
