

Where'd You Go?

KIDZ BOP Kids

Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone

She said, "Some days I feel so bad
Some days I wanna quit and just be normal for a bit
I don't understand why you have to always be gone
I get along but your trips always feel so long"

And I find myself trying to stay by the phone
Because your voice always helps me to not feel so alone
But I feel like an idiot, working my day around a call
But when I pick up, I don't have much to say

So, I want you to know it's a little messed up
That I'm stuck here waitin', at times debatin'
Tellin' you that I've had it with you and your career
Me and the rest of the family here singing

"Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone"

Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone"

Come back home, you know the place where you used to live
Used to barbecue and burgers and ribs
Used to have a little party every Halloween with candy by the pile
But now, you only stop by every once in a while

Yeah, I find myself just fillin' my time
With anything to keep the thought of you from my mind
I'm doin' fine and I plan to keep it that way
You can call me if you find that you have something to say

And I'll tell you, I want you to know it's a little messed up
That I'm stuck here waitin', at times debatin'
Tellin' you that I've had it with you and your career
Me and the rest of the family here singing

"Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone"

"Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone"

Please come back home

I want you to know it's a little messed up
That I'm stuck here waitin', no longer debatin'
Tired of sittin' and hatin' and makin' these excuses
For why you're not around and feeling so useless

It seems that one thing has been true all along
You don't really know what you've got 'til it's gone
I guess I've had it with you and your career
When you come back I won't be here and you can sing it

Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone

Where'd you go?
I miss you so
Seems like it's been forever
Since you've been gone

Please come back home
Please come back home
Please come back home
