

Back 2 Earth

Kierra Kiki Sheard

Oh what a lovely girl
Oh you can see it in her smile
But she's a lonely girl
Inside her own world
It's crashing down
(Oh no) She choose to reject a royal throne
(Unknown) Her reason for letting reason go
(But I know) There is a way to bring her back
If someone will lend a hand
And say I love you

Don't be so blind
Cause we're running out of time
Change can only start with you (you, you, you)
Go shine your light
In the dark, make it bright
Wanna smile from the cries
Out to you
Don't walk away (Aye, aye)

Oh what a lovely boy
He's got the whole world at his feet
But he's an unhappy boy
He's found no joy
No one will understand his pain
(Oh no) He's taking a bidding down this road (Oh no) He cant find a friend to help him cope
(But I know) There is a way to bring him back
If someone will lend a hand
And say I love you

Don't be so blind
Cause we're running out of time
Change can only start with you (you, you, you)
Go shine your light
In the dark, make it bright
Wanna smile from the cries
Out to you
Don't walk away (Aye, aye)

There's a seed in every seed
Plant your love
And give a hug (Give a hug)
Share your treasure
Open up
You may save
A world changer

[Chorus]
