

# Faith

Kierra Kiki Sheard

By faith  
I can get to many places  
Maybe even see many faces  
I mean things that are unexpected  
Because of my faith I may  
Have to deal with a little bit of hate  
And it may seem like there's no way  
That's why I gotta have my faith

(Faith)  
I gotta have  
(Faith)  
Can't make it without it  
(Faith)  
Where I wanna be I gotta have (ohh yeah)  
(Faith)

Now without faith  
Things are impossible  
Like me wanting to please him  
I gotta forget about them  
Those that don't like me where I am  
Cause then I am in jam  
Tryna make a decision  
Should I listen or should I go  
I don't know (Faith)  
That's why I gotta have (faith)  
I gotta have faith (whoaaahh yeaah)

(Faith)  
I gotta have  
(Faith)  
Can't make it without it (whoaaaahh)  
(Faith)

Now faith is the substance of things hoped for  
The evidence of things not seen  
And this explains it all  
Where I am now  
I may not be pleased  
So I'll have to seek him diligently  
And my Word says  
He will reward me (Can't make it without it)  
So why not have

(Faith)  
I gotta have faith (yeeaaaaah)  
(Faith)  
When my family is sick (faith) and they can't get well  
(Faith)  
I gotta have faith (yeeaaaaahh)  
(Faith)  
I gotta have faith  
(Faith)  
No matter what they give me or bring to my way  
I gotta have faith (yeeeeeeaaaah)  
(Faith)

I gotta have faith  
(Faith)  
It's the only thing that will pull me through  
(Yeeeeeeaaahh)
