

In You

Kierra Kiki Sheard

Don't want to go alone
I'm nothing on my own
It gets tough for me to trust you
Sometimes it seems you're invisible
And I'm in this all alone

And I fade the case
I still remember the way
Don't take the thought of the hope
Because I'm really trying to do it your way
So glad I know that

Deep or high I'm never too far from your love
My hope and my strength lie in you
Ohh (4x)

Don't want to act the part
I want to touch your heart
If it takes me a lifetime
Don't take the thought
On a hope to see you over there
Everybody over there

I still got work to do
And no matter what I'm going through
My eyes are set on you

Deep or high I'm never too far from your love
My hope and my strength lie in you
Ohh (4x)

Ohh (8x)
My hope and my strength lie in you
