

# Jesus

Kierra Kiki Sheard

Sometimes we wonder why we go through  
And we deal with issues that we can't handle  
I wanna know why are there children with no home  
People with no food but there is help  
From a man who fed thousands  
Healing, received through His garments

And his name is J E S U S  
(J E S U S)  
And He is the King of the world  
(King of the world)  
There's nobody that can help you like He can  
(Help you like He can)  
He will take your problems and wash them away

Now we seek to find the answer to the questions of life  
But there is only one way but we choose to go astray  
By blinding ourselves with earthly desires  
And we can give it a answer  
And He's the Way, the Truth and the Light  
Through His blood we're cleansed and revived

And his name is J E S U S  
(J E S U S)  
And He is the King of the world  
(King of the world)  
There's nobody that can help you like He can  
(Help you like He can)  
He will take your problems and wash them away

And his name is J E S U S  
(J E S U S)  
And He is the King of the world  
(King of the world)  
There's nobody that can help you like He can  
(Help you like He can)  
He will take your problems and wash them away

He'll take every trying time  
And wash them away  
All you gotta do is say

Jesus the King of kings  
Jesus, please help me  
Jesus, please hear me  
Jesus He is the one that can bring you out of pain just say  
Jesus the one who rescued me from sin

Jesus Emmanuel, Messiah  
Jesus sweet spirit, guide me  
Jesus wonderful councilor  
Jesus, I need Your love to reign, yeah

Jesus, I'm crying out to You, Father  
Jesus, I need all of You, Father  
Jesus, oh I need You in my life  
Jesus, without the music just me and You

Jesus, I long to have more of You  
Jesus move stuff outta the way  
Jesus, reveal more of You  
Jesus, I am desperate for more of You

Jesus Lord, I surrender my all  
Jesus, [?]  
Jesus, oh, there's nobody like You, nowhere  
Jesus
