

Let Go

Kierra Kiki Sheard

Everybody wants to let go
But somebody's gotta to hold on
The whole world's going crazy
But someday gotta stay strong
It don't look good for right now
But now ain't forever
Everybody wants to let go
But somebody's gotta to hold on
Somebody said you don't know what I've been through
You're young and life is simple
I've lived four years with a man that don't love me
And my kids are acting crazy
And you don't know that my heart's been broken
Even though I'm acting fine
You don't know that good times
Ain't been around my way in a while but I told her
Everybody wants to let go
But somebody's gotta to hold on
The whole world's going crazy
But someday gotta stay strong
It don't look good for right now
But now ain't forever
Everybody wants to let go
But somebody's gotta to hold on
Somebody lost there mother
Somebody lost there father
Somebody has no home
And the world is falling on them
But gotta tell you something
You gotta go through something
If you wanna be something you
'Cause can't get it for nothing
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Everybody wants to let go
But somebody's gotta to hold on
The whole world's going crazy
But someday gotta stay strong
It don't look good for right now
But now ain't forever
Everybody wants to let go
But somebody's gotta to hold on
