

No Graceland

Kierra Kiki Sheard

Would you believe it, if I said at times I feel lost
Or if I told you, sometimes I feel I've wondered off
Into a place where I've ran out of grace
So many wrongs, have come between us
I've gotta fix where I am
Because I'm tuned into no graceland

I don't want to go, I don't want to go
Into no graceland, into no graceland
Oh no, oh don't let me go

I don't want to go, I cannot go
Into no graceland, into no graceland
Oh no, oh I cannot go
To no graceland

Show me the way Lord, so I am not blinded by sin
I pray today Lord, that you give me strength from within
It is your mercy, you kindness, and love that keeps me going on
It's like an ocean, a flood that drowns my sins
Keeping me from no graceland

I don't want to go, I don't want to go
Into no graceland, into no graceland
Oh no, oh don't let me go

I don't want to go, I cannot go
Into no graceland, into no graceland
Oh no, oh I cannot go

If you're not here to lead me
I'd be so lost in no graceland
Please don't leave me
I've gotta have you forever
I've gotta have you forever
Never leave me God

I've gotta have you forever [x4]
Never leave me

I've gotta have you forever [x4]
Never leave me

Never
I know I've done wrong, over and over again
Never, never leave me
