Praise Him Now

Kierra Kiki Sheard

Praise Him now and praise Him again Praise Him everytime you get a chance He's the source of your favor And for that we thank Him even more

Through reprimand

Some I don't understand

And I've never seen Your love forsake me

Even when I don't deserve it

Through ups and downs
Through smiles and frowns
But you never put more on me than I can bare
That's why I praise you more and more

Praise Him now and praise Him again Praise Him everytime you get a chance He's the source of your favor And for that we thank Him even more

Praise Him now and praise Him again Praise Him everytime you get a chance He's the source of your favor And for that we thank You even more

Praise Him now and praise Him again Praise Him everytime you get a chance He's the source of your favor And for that we thank You even more

```
We thank You (for Your Deliverance)
We thank You (for Your Mercy)
We thank You (for Your Grace)
We thank You (for Your Anointing)
We thank You (I Love You!)
We thank You (Yes I do!)
We thank You even more!
```
