

So Easy

Kierra Kiki Sheard

Until the end of time, I'll never say goodbye
I'm a still ride for you
I lay it all on the line and I'm a stay down
And nothing can divide us two

If I can dance in your way
I'll be your love for always
And the song that you're playing
A grammy nomination just won't do

I don't never wanna go a day, no without you
Cause I've found what I'm searching for Lord you're my forever

Oh, it's a no brainer
I ain't gotta think, no one else could ever make me feel this way
It's a no brainer
I can't get enough when it comes to loving you
So easy, so easy
So easy, so easy
Said it's so easy, so easy
So easy, so easy
Said it's so easy-eh-eh
So easy-eh
So easy-eh-eh
So easy, so easy

If loving you was a crime, I would do the time
Tell the judge I'm so guilty
Like the stars in the sky, I'll never tell a lie
I don't care about nobody but you

If I can dance in your way
I'll be your love for always
And the song that you're playing
A grammy nomination just won't do

I don't ever wanna go a day, no without you
Cause I've found what I'm searching for Lord you're my forever

Oh, it's a no brainer
I ain't gotta think, no one else could ever make me feel this way
It's a no brainer
I can't get enough when it comes to loving you
So easy, so easy
So easy, so easy
Said it's so easy, so easy
So easy, so easy
So easy-eh-eh
So easy-eh-eh
Said it's so easy-eh-eh
So easy, woah

Lord I'm a write about it
I just gotta tell the world about it, bout it, eh
And I ain't gonna fight it
Never gonna hide it from you, no
Don't care what's in my way

I can move a mountain
Can take me on a plane
You can meet me where the sky is
Your love has got me flying
And I ain't afraid of dying

(So easy)
(Oh-oh)
(Easy loving you, loving you)

So easy, so easy
So easy, so easy
Said it so easy, so easy
So easy, so easy
So easy-eh-eh
So easy-eh-eh
Said it's so easy-eh-eh
So easy, woah

I ain't gotta worry about nothing no, you're always around
I ain't gotta worry about a thing, oh, you're always around
